

PPI Software Release 5.1: Notes For TRAIN Changes

The screenshot displays the 'HUMAN RESOURCES DEVELOPMENT SYSTEM' interface. The main window has a menu bar with 'Action', 'Edit', 'Block', 'Item', 'Record', 'Query', 'Launch', 'Help', and 'Window'. Below the menu bar, the title bar reads 'TRN_0301 COURSE REQUEST V1.0'. The main content area is titled 'PERSONAL INFORMATION' and shows 'Name: ALUPATST JOSEF' and 'SSN: 4207F5307'. A modal window titled 'AUTHORIZED NAME(S)' is open, displaying a list of employees with columns for 'SSN' and 'NAME'. The list includes: 0001F3123 KOCOUREK ZDENEK, 0001F4302 HTIMS ALEXANDER, 0001F4733 AUER MICHAEL, 0001F4933 WITTMANN CHRISTIAN, and 4207F3071 HTIMSRICH WILFRIED. The modal window also has a 'Find' field with a '%' symbol and buttons for 'Find', 'OK', and 'Cancel'. The background window has a sidebar with buttons: 'Pers Info', 'Notepad', 'Router', 'Query', 'Substitute', 'Copy', and 'Duplicate'. The status bar at the bottom shows 'Choices in list: 25' and 'Count: *0'.

The Manager can now receive a list of all Authorized Employees without having the employees assigned to a group. The list is based on all employees assigned under the manager's organization component.

Expanded the input size of messages (MSG_0101) from 200 to 2000 characters.

Corrected the Training Sponsor list of values (LOV) to display all values.

Disabled the Menu Print item when a Training Request is being initiated.

Duplicate Button disabled if the Copy Button has not been enabled. Additionally, the employee's address is no longer copied.

Corrected the following Form 1556 problems:

Blocks 5a and 5b corrected to properly display years and months rather than the date.

Corrected block 19c to properly display the data.

Corrected the field sizes of billing title, step in grade and grade.
